

91: Free Early Education Entitlement (FEEE) Policy

At Small Wonders Day Nurseries Ltd we currently provide FEEE places for children from nine months to four years old. When you register your child for their FEEE place we will discuss your needs and, as far as possible with availability and staffing arrangements, we will accommodate your wishes. These places will be allocated on a first come, first served basis, beginning the term following your child's eligibility.

FEEE is available for 38 weeks per year only with the option to spread it over 51 weeks. An allowance of 10 hours FEEE will be applied to between 9am-7pm. On FEEE days, when childcare is required before 9am there will be a breakfast club fee of £14.33 for under 2 year olds and £13.33 for over 2 year olds. Days when FEEE are not applicable will be charged at the full day rate.

The nursery operates a 12 hour day. The hourly rate applicable to your child's age is the daily rate divided by 12 hours.

- Under 2 years £86 per day which equates to £7.16 per hour
- Over 2 years £80 per day which equates to £6.67 per hour

A voluntary contribution will be requested to cover consumables for meals and snacks, **during FEEE hours for children who are 3 and 4 years old**. The contribution will be £3 per meal and £0.70 per snack. If you choose not to pay the voluntary contribution for meals and snacks you may provide your own meals and snacks for the day, adhering to our food policy. An agreement will be drawn up to specify the days when meals will be required.

Example formula for invoice calculations

- Number of days per week x 12 hours per day x weeks attended in the calculation period
- Total attendance hours less FEEE hours applied for the calculation period (e.g. 30 hours per week x 38 weeks)
- Balance of hours x hourly rate applicable to child's age
- Plus consumables (for 3 & 4 yrs)
- Total will be divided into equal monthly payments for the calculation period

An example: Child age 3 years attending Tuesday, Wednesday and Thursday on a full time basis using 30 hours FEEE for 38 weeks

Bill Period 1st April -31st March

- 3 days x 12 hours x 51 weeks = 1836 hours
1 day x 12 hours x 1 week = 12 hours
Total = 1848 attendance hours
- Less FEEE hours applied
 - Summer term 30 hours x 13 weeks
 - Autumn term 30 hours x 14 weeks
 - Spring term 30 hours x 11 weeks
 - Total = 1140 FEEE hours
- 1848 attendance hours – 1140 FEEE hours = 708 hours x £6.67 per hour = £4722.36
- Plus consumables = 2 meals x £3 + 2 snacks x £0.75 = £7.40 per day
- 1140 FEEE hours divided by 10 hours a day = 114 days
- 114 days x Consumables at £7.40 per day = £843.60
- £4722.36 + £843.60 = £5565.96 divided into 12 equal monthly payments of £463.83
